LEEMON-RICHARDSON SALE OF POLLED SHORTHORNS

**Sale to be held in the Danville Livestock Pavilion
DANVILLE, ILLINOIS**

SATURDAY – JANUARY 11, 1958

Starting at 12:00 o'clock noon, Central Standard Time

Top productions from the great herds owned by

LEEMON STOCK FARM
Hoopeston, Illinois

JOHN T. RICHARDSON & SONS
Clayton, Indiana

Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Illinois

All will sell in the Richardson consignment. From left to right, they are: Lots 42, 46, 43, 39, 40, 47 and 45.

The undefeated pair of calves for the year to date. Both sired by Lynnwood Mainline x and produced in the herd of John T. Richardson & Sons, Clayton, Indiana. At the left is Maplewood Master x, grand champion at the Indiana State Fair, and reserve grand champion at the Ohio and Indiana State Fairs and the Pennsylvania Live Stock Exposition. At the left is Maplewood M Madam x, grand champion female at the Pennsylvania Live Stock Exposition. The latter sells as Lot 36 in this sale.

A Word of Welcome

We cordially invite you to be with us on the occasion of our first sale of Polled Shorthorns. This is not a hurriedly planned affair. Although we are friendly competitors in the show ring, our admiration for each other's productions led us to discuss the plan of some day holding an annual sale together. This sale is the result of our dreams and, if plans materialize, we hope to make it an annual event. We are both young, and both descended from a line of folks who have believed in the merits of Polled Shorthorns, and who have improved the breed. We both have been around shows and sales enough to feel that we know what breeders want for their improvement programs, and what beginners need for the foundation of successful herds. That the cattle we are offering will accomplish the aims of those who buy them is our sincere belief.

We shall look forward to greeting you on January 11th.

CHUCK LEEMON

TOM RICHARDSON

General Information

LOCATION - This sale will be held on Saturday, January 11, 1958, at the pavilion owned by the Danville Livestock Commission Company, four miles west of Danville, Illinois, just off route U.S. 150 or 12 miles south of U.S. 136 on Hillery Road.

TIME - Since there is a liberal number of cattle to sell, and days are short at this season, the sale will start promptly at 12:00 o'clock noon Central Standard Time. Lunch will be served at the pavilion.

SHIPPING - Reliable truckers will be available. Although all cattle will be at buyer's risk as soon as bid off, we will be glad to make trucking or shipping arrangements and assist in loading on trucks or cars.

HEALTH - The two herds participating in this sale are both under Federal supervision for Tuberculosis. A 60-day retest for Tuberculosis will be allowed. Calfhood vaccination for Bang's is also practiced in both herds. Health certificates will be furnished that comply with the rigid health regulations of the State of Illinois.

GUARANTEE - All cattle will be sold under the standard guarantee adopted by the American Shorthorn Breeders' Association. This guarantee, printed in full elsewhere in this catalog, will form a contract between the buyer and seller of each lot. The sale manager was retained for sale promotion purposes only, and is in no way responsible for the fulfillment of guarantees, the handling of the cattle or the condition of the premises. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale, without trouble to the purchasers, but cattle will be at buyer's risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

BREEDING DATES - A good many breeding dates are printed in this catalog, and we believe them to be correct as of the time of printing. However, breeding dates do change, and we want it expressly understood that announcements from the auction block on sale day will take precedence over printed matter in this catalog.

TERMS - The terms of this sale are cash unless arrangements are made in advance. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction, and before the animals are removed.

LIABILITY - The above guarantee and terms shall constitute a contract between the seller and the buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog, they were furnished by the owner. We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests. Accidents at cattle sales are rare, but every person attending must do so at his own risk.

MAIL ORDERS - Those unable to be present, and who wish to do so, may send buying orders to any of the following, reliable men, all of whom will be in attendance: Hal Longley, The Shorthorn World, Aurora, Illinois; H. W. Walker, Eastern Fieldman, The Shorthorn World, 904 East 38th Street, Indianapolis, Indiana; Allan C. Atlason, Secretary, American Shorthorn Breeders' Association, Union Stock Yards, Chicago 9, Illinois; Darrell Overholt, The Drovers Journal, Chicago, Illinois, or to the auctioneer.

AUCTIONEER - C. D. Swaffar.

These four, superior individuals, sons and daughters of Lynnwood Mainline x, won first prize in the get-of-sire class at the 1957 Illinois State Fair and the Pennsylvania Live Stock Exposition for John T. Richardson & Sons. Three of them will sell in this sale. From left to right they are: Maplewood Master x, retained for herd service, Maplewood M Beauty x (Lot 38), Maplewood M Mad-am x (Lot 36) and Richwood Renown x (Lot 31).

A Word from the Sale Manager

Although members of the Leemon family have been breeding improving Polled Shorthorns since 1901, and members of the Richardson family since 1916, the junior members of these families, Chuck Leemon and Tom Richardson, will be your hosts on the occasion of this sale. Here are two fine, young cattlemen, fully aware of what it takes to produce good Polled Shorthorns, and alert to the needs of those who are establishing new herds or improve already well established herds. They have supplied excellent cattle for this sale, and those who attend will agree that the entire offering shows the results of good breeding and careful planning.

A feature of the Leemon consignment will be the service of the 1956 International reserve grand champion L F Fashion x. This son of the International grand champion L F Fascination x is truly a sensational bull and should be in great demand. The Richardsons are featuring the sons and daughters of Lynnwood Mainline x whose calves have been undefeated this year in the junior get-of-sire and pair of calves classes.

This is a sale for those who know and appreciate top quality and rich breeding. Distance is of no concern when Polled Shorthorns of this quality are offered.

HAL LONGLEY

of The Shorthorn World

Here are five beautiful heifers produced in the famous Leemon Stock Farm herd, and all selling in this sale. Note the grand heads and smooth, blocky bodies. From left to right they are: Ceremonious Mayflower 2nd x (Lot 9), Kintyre Golden Beauty 30th x (Lot 17), Ceremonious Clipper 3rd x (Lot 10), Augusta M x (Lot 11), and Ceremonious Jealousy 15th (Lot 7). Throughout this entire sale you will find Polled Shorthorns of this quality.

THIS IS STRICTLY A PLANNED SALE. No cattle are to be offered that the owners would not be perfectly content to retain as members of their own herds. The bulls are suited from the standpoint of both pedigree and individuality to head strong herds. The females are sired by history-making herd bulls, and many are in calf to champions.

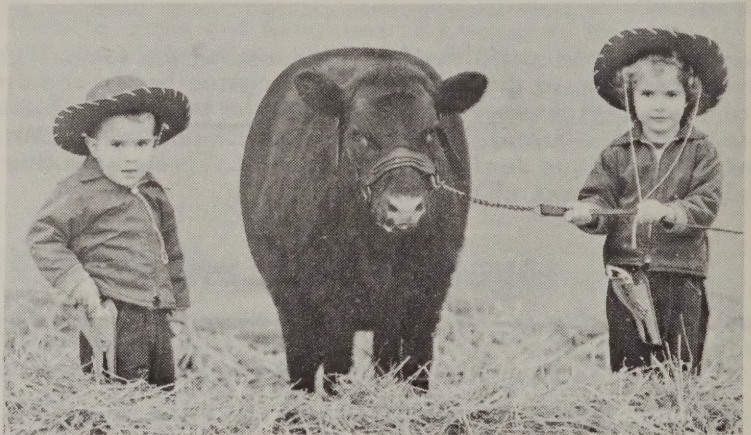

THIS IS A SALE FOR THOSE WHO ARE WILLING TO PAY A LITTLE MORE IN ORDER TO GET A LOT MORE.

It Pays to Get Acquainted with

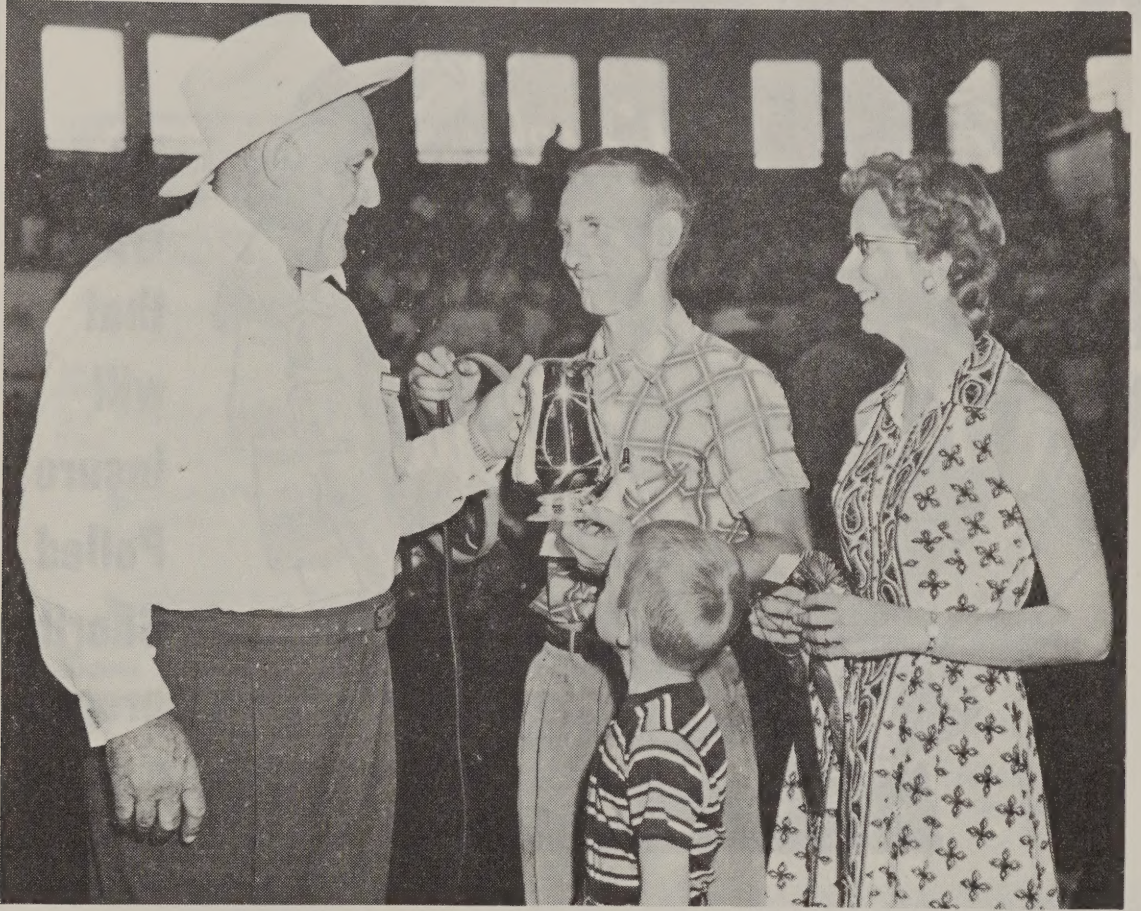

Left — In this picture, Mrs. Tom Richardson and Tom are shown with Ohio Lassie Queen Mariann Huffman and Cyrus Eaton III. The heifer is Richwood Rosette 11th x a daughter of Lynnwood Mainline that won reserve grand championship at the 1956 Ohio State Fair.

Right — Allen and Karen, children of Mr. and Mrs. Tom Richardson, are shown in this picture with Richwood Rose-dale x, a daughter of Lynnwood Destiny x. This cow is the dam of Richwood Renown, Lot 31.

Three generations of Richardsons have bred Polled Shorthorns since the herd was founded in 1916. Throughout all those years, cattle of the right type were produced and these found their way into strong herds where they worked improvement. No cattle were exhibited until Tom Richardson took over active management in 1945. Since that time the herd productions have been prominent in the show ring, and it may be said without fear of contradiction that no herd has made a better record than the Richardson herd at 1957 shows. Nearly all of the members of the 1957 show herd are included in this sale.

the Folks from whom You Buy

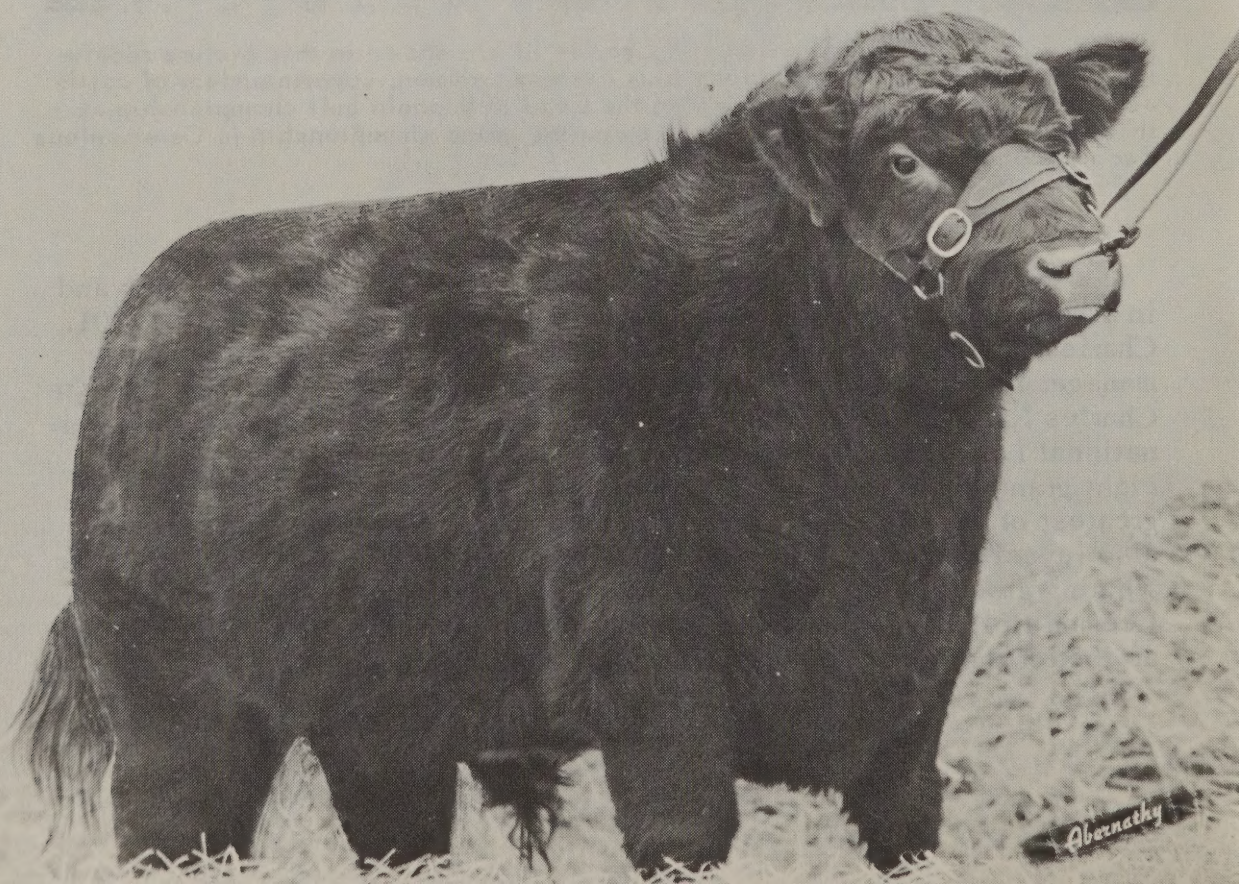

Mr. and Mrs. Chuck Leemon and son Charles III are shown in this picture receiving the trophy and congratulations from Forrest Lemmon, superintendent of cattle at the Illinois State Fair, for winning the Land of Lincoln bull championship at that great show in 1956. The bull that won the grand championship is Ceremonious Escort, Lot 1 in this sale.

Leemon Polled Shorthorns have made history in the show rings and in great herds all over the world since the herd was established in 1901. Charles B. (Chuck) Leemon has succeeded to the ownership and active manager from the original partnership which comprised his father, the late Charles N. Leemon, and his uncle, John B. Leemon. Records of the International Live Stock Exposition reveal that the Leemons have exhibited eight grand champion bulls and three grand champion females at this greatest of all livestock shows, a record with few equals. The records also reveal that these International grand champion bulls sired first prize winning groups in the get-of-sire class at three International shows. Yes, Leemon Polled Shorthorns have made history, but the productions of today are better than ever and are capable of making future history.

Owning or breeding an International champion is nothing new at Leemon Stock Farm. This first happened in 1917, a year we exhibited both International grand champions. However, we are as thrilled with this new champion as if it were our first. All who saw L F Fashion at the 1956 International, and all who have seen him at our farm agree that he is the type of the future

This son of the International grand champion L F Fascination x is a half-brother to a string of cattle that caught everyone's eye at the 1956 International, giving us a further insight to what we can expect of L F Fashion x in the Leemon herd. Sixteen beautiful heifers in this sale will carry the service of L F Fashion x, a champion himself and a son of an International grand champion.

Roberta x2742-288, one of the breed's greatest females, is out of the same cow as L F Fashion x. Produced from the mating of Collynie Compact x with the famous Durno-bred imported cow Lochmoor Roberta by Saltoun Red Ensign, this heifer was purchased by Dr. & Mrs. J. B. Stoll, West Plains, Mo., from Landon Farms in the 1954 Ohio Polled Shorthorn Sale at \$5,000, a record up to that time for a Polled Shorthorn female at auction. Note the similarity in type to L F Fashion. Proof that this type will breed on.

CEREMONIOUS JUGGLER 3rd x — A show bull and an excellent sire whose get will be a feature of the Leemon Stock Farm consignment to this sale. He won first prize in the two-year-old class at the 1952 Indiana State Fair. Sired by Coronet Max Juggler 3rd x, he is a half-brother to the \$20,000 TPS Max Coronet 5th x, grand champion Polled Shorthorn bull at the 1953 International Live Stock Exposition. Ceremonious Juggler 3rd x is the senior herd bull at Leemon Stock Farm, and his calves are characterized by size, bone, substance, deep bodies, excellent heads and easy feeding ability. Six of his sons and ten of his daughters will be offered in this sale. Eight of these heifers are well forward in calf to the 1956 International reserve champion L F Fashion x, and the calves from these matings should be outstanding.

MAPLEWOOD MASTER x - In order to insure our breeding program, we have given this young fellow the tap for herd bull duty. Not only has he piled up an enviable record in his first year of showing, but he possesses some things in his ancestry which we believe are very vital to the future of Polled Shorthorns. His inherited qualities exemplify a combination of size and scale coupled very closely with correct type, smoothness and doing ability. All are wrapped up in his tremendous thickness from end to end and placed on strong, sturdy, correctly placed legs, and with a head and eye to convince you without a doubt that he is top man wherever he is. Sixteen of Master's half-brothers and sisters are in this offering. Five are bred almost the same as he is, being out of King of the Vanities 49th dams. We offer all 16 with the confidence that they will do well for you. In listing only Master's championship winnings, he was Grand Champion at the 1957 Illinois State Fair, Reserve Grand Champion at the Ohio, Indiana State Fairs and the Pennsylvania Live Stock Exposition. He was also a member of the undefeated junior get-of-sire and pair of calves for the year to date.

LYNNWOOD MAINLINE X

LYNNWOOD MAINLINE X

This trio, sired by Lynnwood Mainline x, has been undefeated in the junior get-of-sire class at 1957 shows to date. The group also includes the undefeated pair of calves for the year to date. At the left is Maplewood Master x, grand champion at the Illinois State Fair, and reserve grand champion at the Ohio and Indiana State Fairs and the Pennsylvania Live Stock Exposition. In the center is Maplewood M Madam (Lot 36), and at the right is Richwood Renown (Lot 31).

LYNNWOOD MAINLINE x — A truly great, young, breeding bull whose progeny is amassing an outstanding record in the show and sale ring. He is line bred in the blood of Edellyn Royal Leader 2nd, being sired by Lynnwood Beacon, a grandson of Edellyn Royal Leader 2nd, and out of a wonderful brood cow, Cherry Hill Rosewood 10th x, an own daughter of Edellyn Royal Leader 2nd. Mainline was purchased privately from Lynnwood Farm shortly after the 1954 International where he had stood 3rd in the strong junior yearling class. The following season we showed him only at the Indiana Central States Fair where he was Reserve Grand Champion, and at the Indiana State Fair where he was Reserve Senior Champion. The next year, 1956, his calves started their claim to fame when a daughter, Richwood Rosette 11th x was named Reserve Champion of the Ohio State Fair. At 1957 shows his calves have not only won championships but altogether have headed the coveted Get-of-Sire class in two strong shows. At the recent Pennsylvania Livestock Exposition, Mainline calves won five of the seven group classes plus Grand Champion Female and Junior Champion Reserve Junior and Reserve Grand Champion Bull. In the two Indiana State sales in 1957 a Mainline son has been either champion or Reserve Champion.

As a mature sire, Mainline still possesses the great character about his head, the depth and thickness in his rear quarters and the smoothness in his shoulders, which were the characteristics for which we selected him, and these he passes on to his offspring.

We offer you, in this sale, five very promising sons and eleven beautiful daughters and two good heifers carrying his service.

Some History-Making Leemon Bulls

Left –

HEATHER BARONET 2nd x.
Grand champion bull at 1949 Illinois State Fair, and first prize winner at Chicago in 1949 and 1950.

Right –

CEREMONIOUS ACTOR x.

A son of Heather Baronet 2nd x bred by Leemon Stock Farm and used with success by Glatwyn Farms. Reserve grand champion at the Illinois, Ohio and Indiana State Fairs in 1952. The dam of Ceremonious Escort x (Lot 1) is a full sister to Ceremonious Actor x.

Left –

CEREMONIOUS CREED x.
Many times a blue ribbon winner including first prize two-year-old at the 1948 International. Several animals in this sale are out of his daughters.

Right –

OAKWOOD MAGIC KING x.

A son of the International grand champion Oakwood Merry King x that sired many top prize winners at Leemon Stock Farm.

The Leemon family, Mr. and Mrs. Charles and Charles III, proudly display the trophy they won when Ceremonious Escort x was named grand champion of the Land of Lincoln Show at the 1956 Illinois State Fair. Photo shows Escort as a yearling. He will sell in this sale as Lot 1.

CEREMONIOUS EXCORT x -- One of the really great bulls ever offered from our herd. Wonderful dark red color, short-legged, heavy-bone, deep full quarters, good head and as smooth as they come. He was Grand Champion Land of Lincoln bull at the 1956 Ill. State Fair. Res. Sr. Chp. at the 1957 Ill. State Fair, Senior & Res. Grand Chp. Mo. State Fair, Res. Senior & Res. Grand Champ. Iowa State Fair and Sr. and Grand Champion Nebr. State Fair and Res. Senior Champion at the Penna. Livestock Exposition. A great 1957 show record and his calves are our most outstanding prospects for the 1958 shows. His dam is a full sister to Ceremonious Actor x, the bull showed so successfully by Clodfelters. We have never sold a better one.

KINTYRE GOLDEN BEAUTY 30th x -- An own daughter of the great breeding bull Coronet Max Juggler 9th that sired so many high priced heifers in the Oakwood sales. Has been in our show herd 2 years and always stood at the top. Second prize 2-year-old at 4 state fairs this year. This heifer lost a calf by L. F. Fashion on the fair circuit this fall but is bred back to him and safe in calf. Calfhood vaccinated. Bred Oct. 3 to L. F. Fashion x.

RICHWOOD RENOWN x - We can offer this bull with complete confidence in his ability to become a great herd sire. He is bred to be everything he appears to be. A very worthy son of Lynnwood Mainline x, and out of one of the very good daughters of Lynnwood Destiny x. His grandam was the dam of Richwood Bomber x, the 1957 Indiana Spring Show's Reserve Champion. The 1957 Indiana Harvest of Stars Champion Bull, Glatwyn Mainspring, was bred exactly the same as Renown by being out of a Destiny daughter.

If we did not have a full brother to this bull, we would hesitate a long time before selling him because he represents everything we want to team with his half-brother, Maplewood Master x, in extending the Mainline influence.

Being a November 24th senior calf, Renown has had a rough time on the show circuit in keeping up with his older famous half-brother. However, at the first show of his career, the Indiana Futurity, he stood ahead of Master, and at his latest show, the Pennsylvania Livestock Exposition, he was running so close behind that Judge Robert Long made him Reserve Junior Champion right behind Master who was Junior Champion. He has been a member of our undefeated Junior-Get-of-Sire to date, and will certainly be a bull that will give a good account of himself in 1958 shows. I am very proud to have raised a bull like Renown, and I'm sure his new owner will be justly proud of him and will look with pride upon the "kind you like to produce" calves he is bound to sire.

RICHWOOD COLLYNIE x - In this bull we couple the Lynnwood-Mainline x influence with the widely accepted breeding ability of the great Hilldale Collynie 8th x. His maternal sire, Collynie Bapton x, now being used with great success in the Fred Smalstig herd, was a son of the 8th and out of a dam from the good producing Eliza cow family of Carl Cross. Shown only once to date, Collynie won the Junior Bull Calf class at the Pennsylvania Livestock Exposition, was a member of the winning 3-bull group and winning Mainline Get-of-Sire at that show. He is the first calf from L. F. Roan Butterfly x, and is certainly the kind which makes you want to have calves from his dam just as often as possible and for years to come, which is evidenced by the fact that she is due to calve again January 23rd from Mainline. In describing Richwood Collynie x, I feel that it is sufficient just to say that he is "Mainline" from end to end, and from the appearance of the first calf we have from a Mainline son, that end-to-end influence is being passed right on down the line.

MAPLEWOOD MAINLINE x - A very well grown Mainline son bred the same way as Maplewood Master x by being out of a Daughter of King of the Vanities 49th x, the 1949 Congress Reserve Champion Bull. He, too, has had to travel in the wake of the illustrious Maplewood Master, however, he earned 2nd junior yearling spot at the Indiana State Fair and was a member of the 2nd place 3-bull group at that fair, and the 3rd place Senior-Get-of-Sire at Indiana. As evidence of the regular producing ability of this bull's dam, we are offering his full sister, just a year younger, and she, too, possesses the same qualities handed down through our good Lady Queen family. On sale day be sure to get your hands on Maplewood Mainline x. See if that isn't the way you want your cattle to handle. We will get the first calf from this bull January 22nd and we have a couple more cows bred to him. Also one heifer in the sale is bred to him.

RICHWOOD REPORTER x -- In order to offer a strong group of young herd sires in this sale, we dug deep into our 1958 Junior Yearling prospects and have come out with this good solid red bull again bred the same as Master by being out of a King of the Vanities 49th cow and by Mainline. This calf has never been on a nurse cow and has kind of gotten the way he is by himself. He has the Mainline stamp on him and is a calf you can well afford to wait a short time on.

MAPLEWOOD M MADAM x - In offering this group of Mainline heifers, we do so reluctantly as they are the kind of females that we all would like to put back in our cow herd. Our only justification in selling them is that most of them have full sisters that can be selected as replacement females or additions to our cow herd. Madam is perhaps the heifer which we hate to part with the most, but we feel we must in order to make this first Lynnwood-Mainline production offering a strong select group. She is a show heifer in every sense of the word and has continued to improve in every way all through the summer and fall shows. She was second in class to the Reserve Champion of the Illinois State Fair in her first show, stood second at Ohio, third at Indiana; then after a few weeks' rest, bounced to the Grand Champion berth of the Pennsylvania Livestock Exposition. She has always been used in our Senior-Get-of-Sire and in our undefeated, to date, Junior-Get and Pair-of-Calves. She is the kind of a heifer capable of producing herd bulls and a heifer that will add style and grace to your cow herd. She is right in her type, right in her breeding and can keep you right or help set you right in your position in the cattle business. It has been a pleasure to produce and develop her and we will watch with equal pleasure as her future unfolds. We are happy we have a full sister left here at the farm. Photo taken in mid-August.

RICHWOOD M ROTHES x -- A sweet little heifer out of probably our best brood cow and a cow which many good cattlemen have told us was one of the best Polled Shorthorn cows they have seen. It is for sure that if we didn't have a full sister to Richwood M. Rothés x she would never be in this offering. She has never been on a nurse cow and has always given a good account of herself in the showring. She was second Senior heifer at Missouri and third at Pennsylvania where she teamed with Madam to hold down second place Pair-of-Females spot. When you own this brood cow prospect you will be owning a wealth of breeding plus a wealth of individuality.

RICHWOOD M. JENNY x -- In this sweet little heifer we introduce a little different line of breeding and I think you will agree on sight that the same Mainline influence is evident in every degree. Her dam, from the Leemon Jenny Lind cow family, is a half sister to the famous record-priced Avenel Bull. This heifer at this date (prior to the International) has not been shown. She has nursed only her mother and shared that for the first 4 months of her life. She should be able to stand some fast company at the 1958 shows.

KING OF THE VANITIES 49th x - a great breeding son of King of The Vanities x that was used in the Richardson herd. He is the maternal grandsire of Lots 33, 35, 40, 42 and 44.

MAPLEWOOD M. QUEEN x --- This is the full sister to Maplewood Mainline x and we are equally well pleased with the feminine version of the Lynnwood Mainline-Vanity Queen mating. Yes, and she will calve again from Mainline in 1958. This heifer has most of her life ahead of her but with the records her half brothers and sisters have piled up, she should have quite a brilliant future both in the showring and in some good cow herd.

LEEMON - RICHARDSON SALE OF POLLED SHORTHORNS

LYNNWOOD DESTINY x - a son of Lynnwood Leader that left many great brood cows in the Richardson herd. Some of the best in this sale are out of his daughters, including Lots 31, 36 and 41.

RICHWOOD M. ROSEMARY x -- Here is a heifer we probably should have shown but our older senior heifers got the call this year. She is equally as thick as any heifer in the offering and has all the other things including balance, style, smoothness, hair coat, straightness in her lines and possesses the Mainline-Destiny combination in her breeding. She was her mother's first calf and nursed no other cow at any time. To add to her greatness, she now has a solid red full brother, which several good cattlemen have told us was the best bull here on the farm. This heifer has developed the way she has because she is bred to be that way. Don't overlook the inherited ability of this heifer.

RICHWOOD PRINCESS RUTH x - one of the good daughters of Lynnwood Destiny x, produced in the Richardson herd. Lot 42 is a half-sister out of the same dam.

MAPLEWOOD MAIN MISS x -- Here we have a very useful Mainline heifer out of the grandam of Glatwyn Mainspring x, the Mainline bull that was champion of the recent Indiana Harvest of Stars Sale and sold for \$1,000 to Richard Prentice at Batesville, Indiana. This heifer sells bred to Maplewood Mainline x, Lot 33 in this sale and the junior yearling bull from our show herd. She was bred Sept. 14th and is due to calve June 21.

LEEMON - RICHARDSON SALE OF POLLED SHORTHORNS

Lot 45 Female RICHWOOD M HARMONY 2896-469 LE R 016 Richardson

Red, calved March 16, 1956. Bred and owned by John T. Richardson & Sons, Clayton, Indiana.

RICHWOOD M. HARMONY -- A dehorned heifer with a wonderful pedigree. Out of a very select Oakwood Harmony dam and sired by Mainline. We feel this heifer is a very worth while investment. She is right in her type and her inheritance insures her value as a brood cow. She sells bred to Richwood Star Event x, the good son of the \$10,000 Lynnwood Event, since Aug. 9th and is due to calve about May 16th.

Lot 46 Female TIMBERLEE'S AUGUSTA 13th x2894-511 LE S 16 Richardson

TIMBERLEE'S AUGUSTA 13th x -- A very good daughter of Defenders Glory x, the herd bull of Fred Smalstig at Pittsburgh. Out of a Cherry Hill Gladiator x dam and he is by Edellyn Royal Leader 2nd. This is the kind of a heifer we like to mate to Mainline because we are confident of the outcome and it is insured by her inheritance. She was bred Oct. 10th to Mainline, being due to calve near July 17th.

Lot 47 Female

FAIRY QUEEN 3d x2891-572 LE H 08

Fairy Flake x1722509
White, Ray Hunt

FAIRY QUEEN 3rd x - An own daughter of C F Collynie 18th x, the good breeding son of the renowned Hilldale Collynie 8th x, being used with much success by Ray Hunt at Danville, Ind. The 18th produced the top selling heifer of the El-Vi-Dor sale in 1956. The dam of Fairy Queen 3rd is a half-sister to the dam of our Richwood M Rothes x heifer in this sale. Both were sired by Lynnwood Rothes x and he was by the breed improver Royal Rothes. I know, too, that this Fairy cow family has been one of the good producing cow families for the Hunts. We wanted to do something special for this heifer because we believe in her so we are selling her bred to our champion and junior herd sire, Maplewood Master x. This combination should really work wonders.

Lot 48 Female

RICHWOOD M ESTELLE x2918-691 LE R034

Roan, J. L. Edmonson

RICHWOOD M. ESTELLE x -- An open heifer by Mainline. She hasn't been fitted, hasn't had a nurse cow and has had to come along just on her own. Her dam is a half-sister, out of the same cow, as the maternal grandam of Richwood Renown x. Don't overlook this heifer because she is capable of passing on the Mainline influence equally as well as some of her well-fitted half-sisters.

Lot 49 Female

RICHWOOD L. ROSEBUD x -- Here is an open heifer out of our good Oakwood Harmony 8th family. Her dam, by Lynnwood Destiny x, is a horned daughter of Oakwood Harmony 8th x and she, bred to Compact Leader x, produced this polled, solid red heifer. Compact Leader x was a Reserve Sr. Chp. bull for us at the Ind. Central States Fair in '56 and he was a 1st prize bull in the '57 Louisiana State Sale and sold to Royle Miller at Villa Platte, La.

MAPLEWOOD M. LADY x -- Another open Mainline heifer that has had to come along the hard way, but she is capable of great performance as a brood cow. Her old grandmother, Lavender Nonpareil x, was one of the good cows in our herd. The cow family was all roan and, of course, Mainline is a roan, but in this heifer we have a good solid deep red color.

Standard Guarantee

OF

AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of helpers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or helpers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot, even though bred, are considered breeders and no further guarantee is given.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for calves at side or unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

INQUIRIES ABOUT CATTLE LISTED—The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animal listed in this catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Illinois.

The Richardson kind. Both of these cows have Lynnwood Mainline x daughters in the sale ... and here they are with their latest calves, also by Lynnwood Mainline x. On the left is Richwood Rothas Gloster x (dam of Lot 37) and her heifer calf. On the right is Richwood Rosemary x (dam of Lot 41) and her bull calf.
